### MISSION:

To establish and operate **AMEZ** as a world class facility for our valued **entrepreneurs** and **stakeholders** while serving as a pioneer **Economic Zone (EZ)** for the sustainable growth of Bangladesh.

### VISION:

To become the global ambassador for Bangladesh and a catalyst for the economic and social development of our country, thereby transforming Bangladesh into a middle income country by 2021 and a developed country by 2041 through the establishment and continuation of world class customer services at our state of the art facilities.

### CORE VALUES:

- **Nurturing** and **serving** the needs of all people (employees, customers, and those in our community) while providing them with the **opportunities** to reach their full **potential**.
- **Structuring, implementing** and **applying** world-class policies for the development and operation of our economic zone for the **benefit** of all our stakeholders.
- **Contributing** to the **prosperity** of any individual or company associated with AMEZ through the use of modern technologies to ensure high **quality** products and services through a dedicated, committed, well-trained and motivated workforce.
- **Investing** in the **future** of our people and our business to realize our goal of a stronger, cleaner and stable Bangladesh.

# AMEZ

# TO THE WORLD

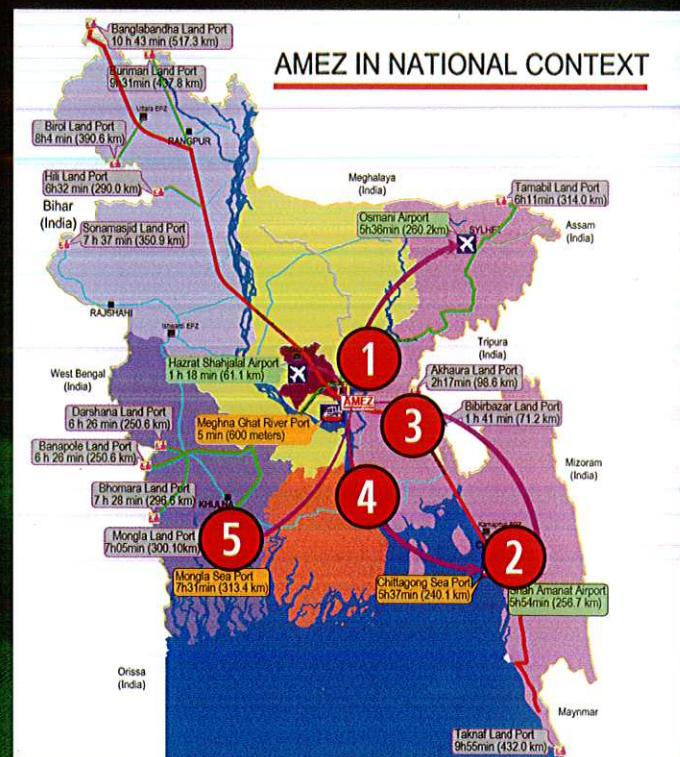

# WHY BANGLADESH

- **ENERGY:** The Government of Bangladesh guarantees **uninterrupted power** to EZ's.
- **MANPOWER:** With the 8th largest population, 160 million Bangladeshis blessed with "Demographic Dividend", from day labor to senior management, are **ready to work**.
- **BUSINESS-FRIENDLY:** The Government of Bangladesh **fully supports** the EZ movement and has taken the initiative to establish 100 new economic zones throughout the country within 15 years.
- **HIGH-GROWTH RATE:** Building on a consistent growth rate of **6% on average since 1994**, the government of Bangladesh aims to transform the country into a middle income country by 2021.

- **STRATEGIC LOCATION:** Bangladesh at the apex of the Bay of Bengal with India, Nepal and other SAARC countries to the West, Myanmar, Bhutan, Japan, Korea, China and other ASEAN countries to the East can emerge as a **mega Asian growth triangle** for huge local and foreign markets.
